"Participating in the NVCA CFO Task Force has become a very important part of my personal priorities and our firm's priorities. This is a rare combination of very qualified "peers" with deep understanding of our industry, our operating challenges, and our industry priorities. The events bring together a talented group in a forum where joint sharing and learning occurs—this is supported by periodic events and monthly phone calls. There is just no better way to stay on top of the many financial, operating, regulatory, and industry issues that impact all venture firms."

– Jim Stewart, True Ventures

"The NVCA membership has been a great resource to us as. In particular, we've attended small dinners that NVCA organizes which has sparked conversation and connections with other emerging and experienced VCs that continued beyond the events. This has allowed us to share our investment thesis and deal flow with investors that we've met through the NVCA network."

– Christie Pitts, Backstage Capital
