### **View Previous Webinars – Recordings Below:**

#### **[Spotlight on Columbus](#)**

**June 30, 2021**

*NVCA's new Spotlight On series highlights VC ecosystems in geographies across the country. Our fourth session featured leading investors and entrepreneurs in dialogue on why Columbus is a great place for innovation.*

#### **[Small Business Set-Aside Programs: What You Need to Know](#)**

**June 22, 2021**

*PilieroMazza's Government Contracts Group discussed key details of the government's small business set-aside programs, which includes over 20% of the federal government's annual \$500 billion spent on private sector contracts.*

#### **[NFTs – Explosive Growth and Where the Technology is Headed](#)**

**June 17, 2021**

*NVCA & Orrick held a conversation with leading investors, issuers, and exchanges to discuss where the technology is headed and how NFTs can be leveraged for brand building and IP protection, additional revenue streams, and risk mitigation.*

#### **[NVCA Enhanced Term Sheet 2.0 Sneak Preview](#)**

**May 26, 2021**

*Last year, NVCA partnered with [Aumni](#) to [add](#) market analysis to the NVCA Model Term Sheet. NVCA and Aumni are introducing a 2.0 version of the Enhanced Model Term Sheet that includes nearly twice the data points and will give the venture community more insights during the deal making process.*

#### **[NVCA Spotlight on Atlanta](#)**

**May 25, 2021**

*NVCA's new Spotlight On series highlights VC ecosystems in geographies across the*

country. Our third session featured leading investors and entrepreneurs in dialogue on why Atlanta is a great place for innovation.

### **[Legislation Update and Remote Work Considerations for VCs and GPs](#)**

**May 20, 2021**

EY and NVCA discussed in depth the tax implications of the American Rescue Plan Act, the Infrastructure Bill, and the Build Back Better Plan. Our panelists also discussed remote workplace considerations for VCs and GPs, including Nexus, apportionment, and payroll tax considerations.

### **[COVID's Impact on Employment Law: What's Temporary and What's Permanent?](#)**

**May 19, 2021**

Businesses have never faced a challenge like the past year. As the economy shows early signs of improvement, and vaccines provide hope for some return to normalcy, businesses and VCs need to update their policies and practices for the new way we work. SixFifty held an informative session on this important topic for many stakeholders.

### **[Digital Health Outlook Post Pandemic](#)**

**May 18, 2021**

Investors and regulatory experts from [Tusk Venture Partners](#) held a conversation around post-pandemic adoption of virtual care and policies impacting the growth of digital health technologies.

### **[CVCs as LPs](#)**

**May 14, 2021**

Corporate venture investors are increasingly diversifying where and how they deploy capital, and many CVCs, both newer and more established groups, are finding value in investing in VC funds. This session included a diverse set of corporate venture investors on when, where, and why they are investing in traditional VC funds.

### **[NSF and NVCA: Invention to Impact](#)**

**May 12, 2021**

Learn about the National Science Foundation's (NSF) central role in accelerating the growth of the national innovation ecosystem and hear about America's Seed Fund powered by NSF, which awards \$200+ million annually to help 400+ startups de-risk technology for societal benefit and commercial success.

### **[Key Considerations for Venture Financing Transactions Involving Government Contractors](#)**

**April 29, 2021**

*PilieroMazza and Blue Delta Capital Partners joined together for a conversation about the unique set of factors that VCs should consider before entering into transactions involving companies that do business with the federal government.*

### **[Tax Outlook for VC 2021](#)**

**April 28, 2021**

*Carta and NVCA discussed how policymakers will approach tax reform and how it will affect the VCs and portfolio companies they invest in.*

### **[Venture Studio 101](#)**

**April 27, 2021**

*The venture studio model is becoming more popular and impactful in driving startup creation and success. This program featured leaders from top venture studios across the country to share how they source, launch, and support new companies.*

### **[NVCA Spotlight on Indianapolis](#)**

**April 14, 2021**

*NVCA's new Spotlight On series highlights VC ecosystems in geographies across the country. Our second session focused on the importance of VC in Indianapolis, as well as leading investors and entrepreneurs in dialogue on why Indianapolis is a great place for innovation.*

### **[Future of Work: What's Next](#)**

**April 7, 2021**

*Forces impacting the Future of Work are more numerous and powerful than ever before. The past year has not only changed how and where we work, but how many seek out and develop skills, gain education, and plan for careers. Leading VCs discussed the latest in Future of Work and how startups are addressing monumental shifts in education and workforce dynamics.*

### **[Leveraging Human Capital Survey Insights to Drive DEI in VC](#)**

**April 6, 2021**

*Findings from the third edition of the [VC Human Capital Survey](#), powered by NVCA, Venture Forward, and Deloitte, show that U.S. VC firms are focusing on achieving greater diversity and creating workforce equity. Although DEI efforts are moving in the right direction, the pace of change remains slow and uneven for some demographics. What can the survey tell us about industry progress, areas of need, and other key challenges? This workshop featured a variety of industry leaders that addressed these questions to drive meaningful change.*

### **[Creative Deal Sourcing in Unusual Times](#)**

**March 26, 2021**

2020 presented challenges, and opportunities, for sourcing and closing deals, and the year ahead presents more uncertainty. In this session, rising VCs led a dynamic discussion on strategies to find great deals in our current unprecedented environment.

### **[Impact of Antitrust Scrutiny and Proposed Regulatory Changes on VCs and Startups](#)**

**March 24, 2021**

The word antitrust has become a part of VCs' vocabulary because proposed changes to Hart-Scott-Rodino reportability requirements, congressional pressure to modify existing antitrust laws, heightened antitrust scrutiny on the tech and life sciences sectors, and other developments impact many VCs and their portfolio companies. This discussion in partnership with Lowenstein Sandler shed some light on how these issues may impact your fund and portfolio.

### **[Qualified Small Business Stock: What to Know about Taxes and Installment Sales](#)**

**March 23, 2021**

In partnership with NVCA, GW & Wade led a discussion on what every founder and investor should know about QSBS, founder shares, and investments made in early-stage companies. Questions including: What is the QSBS exclusion, how does it work, and how might it apply to you, were all discussed. Other topics included advice on how to best plan, execute, and manage the liquidity event, including an installment sale.

### **[Trends in M&A Post Closing](#)**

**March 18, 2021**

SRS Acquiom and a panel of experts explored post-closing activity trends highlighted in their recent [2020 Claims Insights Report](#). The program included a deep dive into purchase price adjustments, indemnification claim activity and expense funds, alongside stories from fellow colleagues highlighting what they have seen in the COVID-era.

### **[2021 NVCA Venture Capital Awards Ceremony](#)**

**March 9, 2021**

The NVCA VC Awards Ceremony celebrated the venture industry and honored those who have made significant contributions to foster innovation, advance technology, and drive new company formation. In addition to honoring award winners, the program included a conversation with Moderna CEO Stéphane Bancel. Registration is complementary.

### **[Spotlight on Austin](#)**

**March 2, 2021**

NVCA has launched a new series to highlight VC ecosystems in geographies across the country. The first in the "Spotlight On" series highlighted Austin, TX, and included remarks by Congressman Lloyd Doggett and a panel discussion of leading experts, VC's, and founders, who shed some light on why the city is attracting so much attention in 2021.

### **[Scaling Innovation: Lessons Learned from Corporate Ventures into the Hard Sciences](#)**

## **February 18, 2021**

*In partnership with NVCA, ARCH Venture Partners led a dialogue on VC collaboration with CVCs and corporate innovation groups, examining a range of business models to advance innovation, corporate best practices in deep tech, and tips for international CVCs entering new markets, among other topics.*

## **California Tax Update**

**February 11, 2021**

The

*NVCA policy team led a conversation about the political environment in the California, including tax policy in the state, an outline of the goals of the Legislature this session, and how the VC industry can engage proactively with policymakers.*

## **2021 Outlook: Investing in Life Sciences**

**January 21, 2021**

*Hosted by NVCA, Orrick, and Signature Bank, leading VC investors and life science experts discuss venture investing in the year ahead, including the continued impact of the pandemic and broader market dynamics.*

## **Exit This Way – Alternative & Traditional Paths to Going Public**

*Two-part webinar series on navigating the special purpose acquisition company (SPAC) market and routes to going public, sponsored by Latham & Watkins in partnership with NVCA. Amid volatility in the capital markets, private companies and their investors are increasingly evaluating a variety of options for how to go public. While traditional IPOs continue to be an attractive option, additional alternatives including SPACs and direct listings are becoming more prevalent. These two sessions focus on the evolving SPAC landscape and key considerations for going public options.*

- **A Closer Look at SPACS**

**Recorded December 9, 2020**

*This session focuses on the SPAC structure, advantages and benefits of merging with a SPAC, and key considerations when seeking a SPAC partner.*

- **Routes to Going Public: IPOs, Direct Listings & SPACS**

**Recorded December 16, 2020**

*In this session, we will discuss traditional and alternative paths to going public, as well as public company readiness. Attendees will learn about the key differences among the various options for going public in the U.S.*

## **CVC Mentor Studio: Best Practices in Executing Cross-Border Deals**

**December 4, 2020**

*Leading investors discuss key strategic and process considerations CVCs and VCs must understand and navigate when making investments across borders.*

## **How a New President will Transform the Tech Sector**

**December 3, 2020**

*Join NVCA and Tusk Holdings to discuss: How President-elect Joe Biden's policies will impact state and local regulations in the coming year given the impact of COVID-19. Opportunities for creating new regulatory frameworks at the state and local levels for key sectors, such as telehealth, autonomous vehicles, gig economy companies, and cryptocurrency. What investors and start-ups should be on the watch for in emerging sectors in 2021.*

#### **[Industry 4.0: VC Outlook](#)**

**November 12, 2020**

*Join NVCA and leading VC investors to discuss the latest trends, insights, and predictions on "Industry 4.0," bringing digital innovation to the manufacturing sector.*

#### **[Use Intellectual Property to Unlock New Sources of Capital](#)**

**October 28, 2020**

*Join Aon as they discuss IP valuation, IP-backed lending, and how your company can use its intangible assets to access capital.*

#### **[Exploring M&A Deal Terms, Trends and Stories Pre and Post COVID-19](#)**

**October 15, 2020**

*Throughout the course of 2020, SRS Acquiom has been collecting data and observations around the issues that deal makers are grappling with during these challenging times. This program will include a discussion of deal terms and trends that existed prior to the pandemic, a review of what has (and hasn't) changed over the last six months and examples of the hot topics that deal parties are dealing with both in negotiations and after a deal closes.*

#### **[Enhanced Model Term Sheet Webinar](#)**

**October 2, 2020**

*The webinar will discuss the market analytics embedded in the Enhanced Model Term Sheet, how venture professionals can use the insights to improve decision making, and how additional NVCA Model Legal Documents may use market analytics in the future.*

#### **[Emerging Technology Meets National Security](#)**

**September 21, 2020**

*Listen to hear from Tom Feddo of the Treasury Department on how new CFIUS authorities are being implemented, and from Matt Borman of the Commerce Department on the "emerging and foundational technologies" rulemaking that could subject many more venture-backed companies to the CFIUS process and impact the ability of foreign nationals to work at U.S. companies. In addition, you'll hear from venture peers and national security experts with a panel on Venture Capital & National Security: What's Around the Corner?*

#### **[The SPAC Book – Current Trends and What You Need to Know](#)**

**September 29, 2020**

*Despite the COVID-19 pandemic, special purpose acquisition company (SPAC) transactions have become incredibly popular. Join NVCA and Orrick for a discussion on the latest developments surrounding these rapidly evolving transactions. Topics will include market trends, projections, investor rights, lockups, BoD fiduciary duties, public company readiness, and how to navigate the current regulatory environment.*

### **Volcker Rule Reform**

**September 23, 2020**

*Join NVCA and industry experts for a discussion on the new reforms to Volcker Rule going into effect on October 1st. This rule is especially important to small and regional VC funds who have greater challenges raising the capital needed to build businesses, and will put capital to work building startup communities around the country*
