

Individuals at NVCA member firms are invited to participate in exclusive Peer Groups dedicated to investment strategy, functional expertise, or policy interest.

# NVCA Peer Groups are unique forums for venture professionals to connect.

## BLOCKCHAIN WORKING GROUP

VC investors and the blockchain entrepreneurs they support engage in dynamic public policy conversations surrounding the emerging technology. New in 2022: subgroup for operators to exchange best practices and network.

## CFO TASK FORCE

Highly engaged group of 200+ CFOs, COOs, and senior operations professionals participate in regular calls to discuss shared challenges and best practices in accounting, back office operations, and financial reporting. The group also meets for an annual two-day summit. CPE credit available.

## CLIMATE & SUSTAINABILITY WORKING GROUP

Brings together 50+ VC funds to discuss major issues in climate tech with a focus on regulatory and legislative issues.

## CORPORATE VENTURE WORKSHOPS

Developed in consultation with NVCA's Corporate Venture Advisory Board, NVCA offers CVC Mentor Studio, peer-led learning sessions on topics of interest to our community, as well as CVC Technology & Innovation events, which examine thematic areas relevant to investing strategies.

## GROWTH EQUITY GROUP

Convenes growth equity investors to inform public policy debates and to raise awareness of unique issues facing the asset class. New in 2021: subgroup for operators to exchange best practices.

## ED-TECH GROUP

As the education and workforce development technology sector continues to expand and Washington policymakers realize the possibilities of technology to create more pathways to economic opportunity, the Ed-Tech group discusses issues important to the community, meets with policymakers and education thought leaders, plans and executes advocacy strategy, and provides networking opportunities.

## HEALTHCARE INNOVATION GROUP

Organizes healthcare investors to educate policymakers on the critical role medical innovation plays in the U.S. healthcare system as well as discuss challenges facing the medical innovation ecosystem. This group also informs stakeholders on the complex development process for new drugs and devices.

## NATIONAL SECURITY WORKING GROUP

Supports pressing issues for U.S. leadership in technology fields critical to national security, provides frontier technology expertise to government officials, and advocates for the needs of frontier technology startups. This group's work has taken on increased importance given newfound urgency around technology adoption in defense.

# Get Engaged to impact your firm and the VC industry

All NVCA members are eligible to participate in Peer Groups.
